

Floodplain Information Office:

Watershed Engineering Division
Watershed Protection & Development Review Department
City of Austin
505 Barton Springs Rd. 12th Floor
Austin, Texas 78704
Telephone: (512) 974-2843
Fax No.: (512) 974-3584
Email: floodinfo@ci.austin.tx.us

The City of Austin provides floodplain information for residential and commercial properties within the Austin city limits. In addition, The City of Austin assist in the completion of Elevation Certificates for those properties within the city limits. The City of Austin has blank Elevation Certificate forms, and completed Elevation Certificates are available in our office files. The City of Austin can transmit the information by telephone, fax machine, e-mail, or mail.

For additional information access our City of Austin web site at <http://www.ci.austin.tx.us/watershed/> and the National Flood Insurance Program's The City of Austin web site at <http://www.fema.gov/business/nfip/>. If you have any questions or need additional information, please call at 974-3399.
