

Login Process for New Members Only

(This will only occur the first time for new members and does not apply to existing members.)

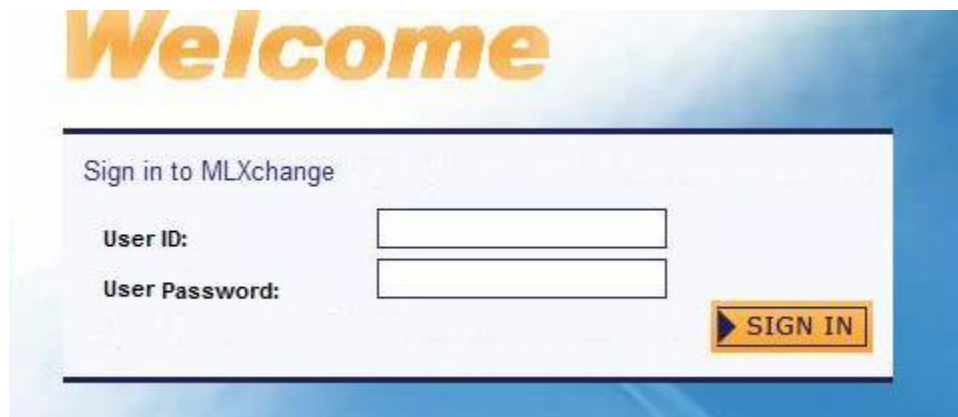

Step 1: Go to <http://actris.mlxchange.com> and log in with your User ID and ABoR.com Password. Click 'Login'.

Step 2: You will be taken through a brief enrollment process where you will answer 3 secret questions and create a new MLS password of your choice. The password must be exactly 8 characters and contain at least 2 numbers. **(Note: It is acceptable to use the same ABoR.com password when creating your new MLS password.)** Once you receive the notice that you have successfully set your new password, click on the MLXchange link to be taken back to the log in page.

Step 3: Log in with your User ID and the new MLS password that you just created during enrollment in the top log in box.

Step 4: You will then be directed to an MLXchange page similar to the one below and log in one last time; however, you will need to use your User ID and the initial ABoR.com password again. You will then gain access into the MLS.

Note: You only need to do this once. After completing these steps, the next time you log in you will simply go to <http://actris.mlxchange.com> and enter your User ID and the password you created during enrollment in the log in box and click 'Login' to gain access to the MLS.
