

REALTOR® -FRIENDLY VOTER GUIDE

Your guide to choosing REALTOR® -friendly candidates in the 2008 General election.

Central Texas REALTORS® are committed to electing candidates that share their commitment to private property rights, protecting the housing industry, providing adequate housing for all Austinites and creating a sustainable community for all of us to share. ABoR is supporting the following candidates because of their commitment to protecting these same ideals.

ABoR's Government Affairs Committee conducts an extensive endorsement process that includes candidate interviews and focuses strictly on the candidates' willingness to support issues impacting the real estate industry and private property rights.

Local candidates are supported by ABoR alone. State candidates are endorsed by both ABoR and the Texas Association of REALTORS® (TAR). Candidates are aided monetarily with funds from the Texas Real Estate Political Action Committee (TREPAC), which is supported by investments from each of you. Please remember your investment in TREPAC works to protect your livelihood by supporting candidates who protect your industry.
