

“I am ABoR” Testimonial Submission Form

The thousands of members belonging to the Austin Board of REALTORS (ABoR) make us the strong and diverse Association we are. Each member contributes to our success; shares in our tools, courses and accomplishments; and serves as ABoR’s face to the community. Each member *is* ABoR.

We’d like to hear how you benefit from ABoR and why your membership contributes toward the strength, diversity and advancement of our Association. As part of the “I am ABoR” campaign, your testimonial may be selected to appear on the home page of Abor.com. If so, you will be contacted and asked to attend a photo shoot so that both your picture and words may be featured.

Please note: As we have thousands of members, those who are most involved with ABoR will be given first consideration for appearance on Abor.com. Selected testimonials may be posted within a twelve-month period.
