Surrounded by four picturesque mountain ranges and long sought-after by travelers for its inspiring scenery and sense of adventure, Greater Palm Springs is Southern California's most storied resort oasis. Greater Palm Springs encompasses nine cities — Palm Springs, Desert Hot Springs, Cathedral City, Rancho Mirage, Palm Desert, Indian Wells, La Quinta, Indio, and Coachella — each offering its own blend of experiences as endless as our blue skies.

HOTEL PASEO

Enjoy a 3-night stay for 2 adults in a Classic King Room. Exactly like nothing else, the first new luxury hotel in Palm Desert in over 30 years. The boutique property is steps from upscale shopping, art galleries, restaurants, and nightlife on El Paseo, known as “the Rodeo Drive of the Desert”. Experience one of Palm Desert's newest and most unique hotels. HOTEL PASEO's central location is ideal for exploring Palm Springs and the beautiful Coachella Valley.

BMW Performance Driving Experience

Enjoy a sample of the many of the vehicles we have at the Performance Center. Take the wheel of a BMW X vehicle as you follow an instructor through our challenging off-road course. Then, head to the track and rotate between various BMW vehicles, driving each through tight corners and fast straightaways. Finally, buckle up in the passenger seat for a hot lap with one of our instructors as they drift and accelerate around the track. It's a ride you won't soon forget.

The Essentials Palm Springs Tour

The Essential Palm Springs Tour showcases the local architects that shaped the mid-century look of Palm Springs. Though many great architects have designed and built in Palm Springs, there are six local architects that stand out as those who helped shape the mod architectural look of the city. This

tour is devoted to them. You'll see residential and commercial architecture by William Cody, Albert Frey, Hugh Kaptur, William Krisel, Donald Wexler, and E. Stewart Williams. Along the way, you'll see how the light and landscape helped guide these architects to create a version of modernism specifically suited to the California desert.
