ABOR + ACTRIS Board of Directors

• 5 Positions Available / 3-Year Term: 2024-2026

We're building an inclusive community that is based on action and is home to the most engaged and professional REALTORS® in the nation. That work begins with the leadership, experience, and hard work of our ABOR and ACTRIS Board of Directors.

Our Board of Directors serves as the governing bodies of the Austin Board of REALTORS® and the Austin/Central Texas Realty Information Service (ACTRIS) MLS, representing over 18,000 real estate professionals across Central Texas and beyond.

As an ABoR and ACTRIS Board member, you can directly shape the policies and programs that help REALTORS® succeed on their own terms, in the most robust MLS marketplace in the region. Are you in?
