Why do you want to serve as an ABoR director? Having served as a past board member, I understand what it takes and what's involved in serving our members. It's something I truly enjoy doing, and I feel it's a great way to represent others in my industry as we navigate the course of our industry. I genuinely love doing it and am excited to have the opportunity to continue helping.

What do you do in your personal time? Do you have any hobbies? My most important role is being a dad to my four kiddos, followed by being married to my wife of over twenty years. My passions outside of work are my family and friends and travel. I play a little golf, but I'm terrible. I enjoy cars. And I have a zest for any kind of "must-do" thing in life. I'm a bit of a bon vivant.
