Why do you want to serve as an ABoR director? As a REALTOR® for 20 years in Austin, I have had the privilege of being a part of several different types of Brokerages: boutique to large, luxury to technology-driven, and most recently as an Independent Broker. I understand what our other members need and what's most important to them. I want to continue representing YOU, our members, and be your voice in that room. I have enjoyed my role as a director immensely over the last 2.5 years and take it very seriously, always thinking about our membership first and the community we serve. I'm excited to be a part of the most Innovative and forward-thinking MLS and Membership Board in the Country, and I feel proud to be a member of the Austin Board of REALTORS® and Unlock MLS. We have accomplished so much in the last few years and we are just getting started. The next few years will be some of our most challenging yet in our industry and I am prepared and ready to take on that challenge with all of you. We are in uncharted territory, but I will

say with confidence that our seats around that Boardroom are filled with Forward Thinkers, Givers, Idea Makers, Good Listeners, and visions of our industry pushing through and coming out better on the other side. I want to continue to be a part of those conversations moving forward and the collaboration that comes from it.

What do you do in your personal time? Do you have any hobbies? When I'm not selling real estate, you can find me rescuing animals and enjoying our Green Acres Farm 1 Sanctuary located just outside of Austin in Liberty Hill, where we have a menagerie of rescued farm animals, including eight dogs and two little piggies and, of course, peacocks. My husband, Warren, is a private trumpet teacher for Liberty Hill Independent School District, and we have two teenage children, Tristan and Olive. Tristan is an avid lacrosse player, and Olive is a member of the Liberty Hill Stars Dance Team.
